SKINFORD

SKINFORD SUPER SALY SKIN FACE CLEANSER is designed to effectively remove impurities and dirt from the skin while being gentle enough to not strip away essential oils needed to keep your skin healthy. The super active ingredients, including salicylic acid, lactic acid and microbeads work together to remove dead skin cells, excess oil and unclog skin pores. Regular use of this cleanser can help improve the texture and appearance of skin, leaving it looking brighter and more radiant.

DIRECTIONS FOR USE: Blend a small amount of cleanser between the palms and massage into wet skin in a circular motion. Rinse thoroughly with water.
